

The background of the entire image is a detailed architectural floor plan of a building. The plan shows various rooms, corridors, and structural elements. Several areas are labeled with their dimensions in square meters (M²). For example, there is a large central area labeled '16M²', a room to the left labeled '10M²', and another to the right labeled '24M²'. There are also smaller rooms labeled '4M²' and '10M²'. The drawing uses fine lines and hatching to represent walls, doors, and furniture like tables and chairs. The overall style is technical and precise.
